ELLENVALE NEWS

JANUARY NEWSLETTER

As we enter the colder winter months, we encourage students to dress according to the weather. As we know how quickly it can change, it is important that students come to school as prepared as possible. To help us navigate winter, there are three important links listed under the "Winter Weather" section of this newsletter.

In musical news, our talented students will soon begin their journey of bringing the upcoming production of **Grease Jr.** to our stage and the excitement is already building! If your student is involved in the performance, please remind them to check the google classroom (code: c5q7reow) where they can find all information regarding specific rehearsal times. In the meantime, we will be looking for volunteers to help bring this magical production together. Whether you can assist with costumes, set building, or backstage support, your help will be greatly appreciated. If you're interested, please contact [Mr. Pettipas](#) for more details.

February is fast approaching, which means we will be meeting with our high schools to start transition meetings for our grade 9s. Information sessions for students will take place Jan 26 and 27th. Parent information sessions will be announced in the coming weeks. This is also a time for parents to discuss whether students will be continuing with their current programming – French Immersion and/or Band.

Also, for those parents/students interested in the late French Immersion program, we will be having an information session on February 5th at 6pm for our current Grade 6 parents.

SPORTS

Please note – any student attending a sporting event at another school, will require their parent/guardian to accompany them as chaperone.

Basketball – Male and Female basketball season has started, with our first home game for the Male team on Jan 13th @ Ellenvale

Make sure to check the bulletin boards in the main building and modular if you want to be a part of our teams.

For information on upcoming games, please click the link to our Google Calendar by clicking [THIS LINK](#).
