ELLENVALE NEWS

SEPTEMBER NEWSLETTER

As we begin a new school year at Ellenvale, we would like to welcome our new and returning students, staff, and families! We have seen a lot of wonderful changes here since last year, and we are very excited about the many wonderful things we have planned for this year.

Also, with the addition of our modular building, and an increased number of buses arriving and departing our school, we have put some new expectations in place to ensure the safety of everyone at Ellenvale. Students arriving in the morning are asked to make their way to the area between the main building and the modular until the 8:40 bell rings. This will allow our buses a safe and easy way to make their way to the end of the bus lane. At the end of the day, we are asking all students who are either walking or being picked up to make their way off the school grounds as quickly as possible, and that all bus students gather in the area between the main building and modular, and line up in their designated bus line until their bus arrives.

We hope to see you all for our Open House Curriculum Night on September 14th from 6:30-7:30pm.
